

## ARE YOU MAKING THE MOST OF YOUR ITSMF UK MEMBERSHIP?

To help you get the best out of your membership, we invite you to take just 2 minutes to watch our latest Membership Benefits Overview [video](#).

We continue to roll out new event topics and content to meet the evolving requirements of our members. Many of these are available for free as part of your membership package.

If you require any further information, would like to get involved in presenting or contributing in any way, or if there are specific topics you'd like to see covered next year, please do get in touch:

## ITSM22 – ‘SUMMER SIZZLER’ SPECIAL OFFER!

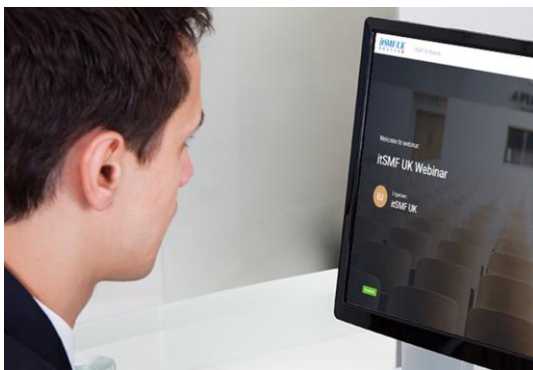

The temperature's rising and holidays beckon. But before you go, why not book your place at ITSM22 and take advantage of our sizzling SUMMER22 promo code for a further £100 discount on the price of a two-day pass.

ITSM22, our annual Conference and Awards, takes place in Reading on 14-15 November. With more than 40 presentations from across the industry plus the Professional Service Management Awards, ITSM22 offers a plethora of great content, discussions and networking opportunities.

Find out more about ITSM22 [here](#).

## WEBINARS – SOMETHING FOR EVERYONE

If you missed the recent webinar with Doug Tedder, where he provided an update on his long running topic of “The CAB is Dead. Long Live the CAB.”, make sure you head to the Event Recordings [page](#) to catch up.

Next up, Mark Smalley is joining us on the 23 September. Mark will explore what DevOps is and isn't, and the kind of value that organisations get out of the investment.

More information and registration can be found [here](#).

### MATURITY ASSESSMENT PILOT UPDATE

We launched our NEW [Maturity Assessment](#) service in February and asked member organisations to get in touch if they were interested in participating in an initial pilot phase.

Following completion of our first assessment in June, we now have multiple assessments scheduled through to the end of the year. Based on this response, we are delighted to confirm we will renew our Axelos Consulting Partner status for 2023 in order to continue offering the maturity assessment service for members.

If you are interested in finding out more, please follow the link above and the team will be happy to answer any questions.

### MEMBER LOGOS: THE LIST IS GROWING

A big thank you to all our member organisations that have provided permission for us to display their company logo's on the [website](#).

We're very proud of the sector diversity and organisation sizes represented in the member forum - and now we have the opportunity to shout about it!

If you haven't yet shared your logo, please get in touch and we'll make sure your details are added.

### HAVE YOU ATTENDED A BUSINESS SIMULATION YET?

Following another successful simulation event in July, DevOps themed on this occasion, we just love the feedback we receive from these interactive events.

If you haven't attended a [business simulation](#) event, make sure you register your interest in the upcoming ITIL 4 in Action and SAFe simulation events later in the year – all simulation events are FREE for members to attend!

Also, watch this space as we're hoping to add a new FitSM simulation to the event calendar soon!
